

# **HELP US KEEP LEAVES OUT OF THE STREET**

**It is Fall in Chicago and that is exactly what the leaves are doing from our trees.**

**Please help us keep these leaves out of our streets, curbs & gutters.**

**Please remove any leaves that fall into the street in front of your residence. You can use them for mulch in your yard, or place them into bags so that our crews can get them.**

***If you live in an area using the Blue Cart you should bag these leaves and put the filled bags outside of your carts.***

***If your area is not yet on the Blue Cart then you should bag these leaves and place them inside of your garbage cart.***

**Under no circumstances should you ever sweep or rake leaves into the street.**

**Raking or sweeping leaves into the street is a violation of City Ordinance and can clog the sewer system. If you see any neighbors doing this please inform them of this.**

**Thank you for your help and for making your neighborhood an even better place to live!**
